COMEDIAN
What's the deal with filing cabinets...

The crowd are tickled with feathers by the Combat AIs and forced to laugh. MAN 1, covered in sweat pleads.

MAN 1
hahaha! MAKE IT STOP!! hahaha!

COMEDIAN

The Comedian puts his finger to his chin.

COMEDIAN (CONT'D)
hmmm.

The comedian then raises his peanut can gun and fires at the man, knocking him out.

COMEDIAN (CONT'D)
Nah! Hahaha!

EMI arrives off screen.

EMI
Stop it!

COMEDIAN
Huh?!

We see Emi transformed into AkibaRed, now sporting a real silver tegasword. Emi approaches.

COMEDIAN (CONT'D)
Looks like my clown came back for seconds.

The audience are forced to laugh again. Emi shoots the AIs making them stop. Emi rushes at the AIs and attacks them with his sword. Comedian starts to aim his gun at Emi.

kinijro is now inches from his ring when Comedian tilts his gun upwards and it fires backwards at kinjiro knocking him off the stage an onto the floor.

KINJIRO
Ugh...how did you?

COMEDIAN
The best jokes are you ones you don't see coming! I knew that fool is too much of a wimp to fight on his own...but to bring an old man to the fight.

Comedian picks up Kinjiro by neck and lifts him up to show to Emi.

COMEDIAN (CONT'D)
Hey Clown! You forgot your set up!

Comedian throws Kinjiro towards Emi.

EMI
Kinji!

Emi catches Kinjiro and puts him on the ground. Kinjiro in response slaps him on the head.

EMI (CONT'D)
Ow! What was that for?!

KINJIRO
You will call me by my full name boy!

COMEDIAN
hahaha! I love it!

Comedian aims his gun at Kinjiro. Emi gets in front of Kinjiro just in time to block the snake bullets.

Comedian continues is valley of snakes as Emi struggles to block them.

COMEDIAN (CONT'D)

Comedian creates giant pies out of thin air to throw at the two.

EMI
That's Not good!

Emi takes Kinjiro's hand and the start running, and try to dodge the horde of pies flying straight at them. A pie too big to dodge starts to charge straight towards them Emi shoves Kinjiro out of the way and tanks the blow.

Emi now pinned to the ground by the pie is unable to resist as Comedian walks up to him and slams his foot in his face.

COMEDIAN
Poor little clown. And to think, you thought you could be a comedian your self, HA, you'll always be nothing but a clown for other to laugh at.

Comedian is hit by one of his rubber snakes it dose little damadge to him. Comedian turns his head to Kinjiro.

Comedian walks toward Kinjiro as he fires rubber snake at him in a seemingly fruitless effort.

COMEDIAN (CONT'D)
And you, the old has been with no sense of humor. Your less than a clown. You gave up being a father, yet you didn't give up dad jokes!

Comedian takes out a fish sword and raises it up to kill Kinjiro.

Emi speaks up before he can deliver the blow.

EMI
What! did...

COMEDIAN
Oh...

kinjiro, pinned to the ground, faced away from the two interjects.

COMEDIAN (CONT'D)
He gave him the--

just as he was speaking he steps onto a banana.

COMEDIAN (CONT'D)

Comedian stares at the banana, befuddled by its sudden appearance. and despite how he was standing completely still one second, he is sent flying from the slippery banana peel. he crashes through various environments.

KINJIRO (CONT'D)
Gross!

We now see Comedian no longer with pants with his head inside a giant piece of cream pie. Looking like a cherry on top of said pie.

COMEDIAN
Mumbled yelling

Kinjrio chuckles as he takes the ring and his Tegasword and transforms into GozyuEagle. Kinjiro runs over to Emi and lifts the pie off him.

KINJIRO
What luck!

Emi whipes the cream off his body.

EMI
No old man. That, was not luck.

Emi points to the ground and we see a comic strip depicting Comedian's humiliating slip on a banana peel, all drawn with the use of pie cream.

Comedian pulls his head out of the pie with a satisfying *pop*. Comedian stumbles onto the floor, completely dizzy.

COMEDIAN
That's not fair! you cheated!

EMI
Come on! What was it you said...? The best jokes are the ones you don't see coming.

Comedian takes out his fish sword and slowly approaches the two.

COMEDIAN

A cold breeze reveals to Comedian that he is not wearing any pants.

EMI
So what? I'm laughing, and so his my friend.

KINJIRO
Friend?

Emi looks at kinjiro. Kinjiro takes notice and joins in.

KINJIRO (CONT'D)
It doesn't matter if the joke is crude, childish, or even if its not all that funny.

The two join in unison.

EMI AND KINJIRO
as long as there is someone to laugh with you!

Comedian yells in frustration.

COMEDIAN
amateurs! amateurs! amateurs!

Comedian takes to two pies he's carrying and throws it at the two heroes.

Emi and Kinjiro slice through the pies and rush Comedian instantly.

The two unleash a flurry of blows. Emi slices rapidly at Comedian ending it with an upper cut that sends comedian into the air. Kinjiro continues the pressure by taking to the sky and delivering his own furry of blows before slamming him back onto the ground.

Comedian struggling to breath on the floor, sees his peanut can gun and quickly crawls towards it.

Kinjiro and Emi stare at him waiting for him to shoot it.

Comedian pulls the trigger only for the gun to shoot
